

MCNC NSG 2018 Teams Listing:

Dear MCNC Members,

I know you have all been waiting for the release of this year's Net-Set-Go teams – so here they are!!

Before you find out which teams your girls are in, could I please ask that you read this message to the end so that you understand the process that has been followed and the factors considered to develop these teams.

In developing the teams a number of factors have been taken into consideration or affected our ability to develop the teams, these include:

- The satisfaction of players and the desire to have fun while playing netball!!!
- Players age,
- School year of the player,
- No of years they have been playing netball (experience),
- Player development rates (some kids progress quicker or slower than others and therefore can't stay in old team),
- Addition of new players (some of which have been from other associations / clubs or interstate),
- Other players who have left netball or the club,
- Team Training requirements,
- Team Numbers (we have tried to limit the number of teams with 10 players this year. Our preference is that teams should have a maximum of 9 players. This has been done to try and give girls more opportunity to play, as teams with 10 players meant 3 girls were not playing or needed to be rotated each week).
- Late registrations (we had a large number of people who registered after the registration closing date – this caused a great number of problems with trying to determine the make of teams), and
- Parents/Players wishes/desires.

In most cases, we have been able to meet peoples wishes, but in some cases this was not possible due to one or a number of the above factors. The team selectors have put in a lot of work over the last two weeks to determine these teams taking into consideration all the above factors and have tried to accommodate everyone, but not everyone will get all of what they want. I ask that you try to understand the complexity and difficulty of developing these teams and trying to meet all of your needs/desires.

All of the above being said, if you have genuine concerns please email us so that we can discuss and explain our decision-making process. You should understand that one small change often has ripple effects into other teams and will most likely affect other players and cannot be made in isolation.

I would also like to say a huge thank-you to our team selection team and our NSG Coordinator who have spent many hours setting up the NSG grading teams, and pulling together the draft team lists – On behalf of all Club Members thank-you to everyone who contributed for a huge effort!!! We very much appreciate your commitment to our club.

Finally, I would like to welcome all our new members to the club, we hope your 2018 netball experience at our club is a positive one, thank-you for choosing MCNC. To all our returning members - Welcome back! We hope you also enjoy the next step in your Netball journey with MCNC!!

If there is ever anything you would like to discuss or raise, please don't hesitate to contact me or a committee member.

The 2018 NSG team lists can be found below.

P.S. If you would like to Coach or Manage a team this year please contact the club by return email.

Yours in Sport,

Steve Curnow - Club President

Remember its "Positive or its Pointless"
